NEXT STEPS

Mark your calendar:

Student in-person events:

- Oklahoma City - February 16, 2022
- Tulsa - March 2, 2022

Adult evening receptions:

- Oklahoma City - February 15, 2022
- Tulsa - March 1, 2022

Begin thinking about the following:

- What age-appropriate (8th grade) interactive activity could you do at the in-person event(s) to highlight career opportunities within your organization/industry?
- Who will staff your booth during the in-person student event(s)
- Who will build your virtual booth? JA provides an easy-to-follow guide for setup and is available to assist.
(Virtual booths from past events in Oklahoma or nationwide can be copied.)

JA staff will be in touch to provide more details soon.
