Junior Achievement Mardi Gras Trivia
Tuesday, February 23, 2021 - Virtual 6-7:30 p.m.
Sponsorship Opportunities

Presented by
AAON

During the pandemic, Junior Achievement has converted multiple programs to virtual offerings for students K-12. Student events have also been transformed virtually and include JA BizTown, JA Finance Park, JA Inspire, and JA Investor Challenge. These are incredible experiences for elementary, junior high, and high school students.

JA programs are available to all public schools at no cost. However, virtual programs do come at a cost to Junior Achievement and are funded solely by individuals, companies, grants, and fundraising events. Proceeds from this event will benefit students across the state. Your support is critical! Thank you for your consideration!
